Triad Construction Completes Retina & Vitreous Interior Office Build-out

West Allis, WI – Triad Construction Inc. in West Allis is pleased to announce the completion of a new tenant build-out for Retina & Vitreous Consultants of Wisconsin in Mequon, WI. Triad crews constructed a customized waiting room, reception area, examination rooms, doctors' offices, nurses' station, and other needed areas. Crew members were also responsible for controlling noise and dust so as not to disturb the other tenants in the professional building of Columbia St. Mary's Ozaukee.

"Triad is pleased to provide the customized work space these busy medical professionals need to better serve their patients," says Triad Construction President and owner Werner Holentunder.

Triad Construction Inc. is a general contractor specializing in commercial construction that makes it a priority to understand customers' needs. Triad Construction has a strong history of work on new buildings, building additions, and renovations in order to meet the changing needs of the community.
